5 January 2017

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Approval of Details Granted

Address:

Flat A
78 Caversham Road
London
NW5 2DN

Proposal:

Details of the green roofs required by condition 4 of planning permission 2013/2774/P dated 10/07/2013 for erection of single storey rear extension.

Drawing Nos: AP03_00_202 D1; 21_603 D1; Sedum Blanket System (SGS02); Design and Access Statement (dated 11/12/2016); Management Plan (dated 11/12/2016).

The Council has considered your application and decided to grant approval of details.

Informative(s):

- 1 Condition 4 (Green roof) - The proposed green roof specification is considered to be acceptable. The substrate is of an adequate depth and sufficient information has been submitted to demonstrate that the roof will be sustainable, in line with the submitted maintenance plan. The proposed planting is suitable for the site and would enhance the biodiversity of the area.

The full impact of the proposed development has already been assessed. The

proposed details would not have a harmful impact on the appearance of the host buildings or streetscene, or on neighbouring amenity.

The condition requires the details to be submitted and approved prior to the commencement of works. Whilst the works to convert and extend the building have commenced, work on the green roofs has not and therefore the condition can be discharged.

As such, the proposed details are in general accordance with policies CS5, CS13, CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP22, DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with Policies 5.1, 5.2, 7.4 and 7.6 of the London Plan 2015; and the provisions of paragraphs 14, 17, 56-66 and 93-108 of the National Planning Policy Framework 2012.

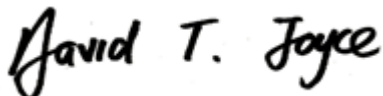

- 2 There are no outstanding conditions to be discharged in connection with planning permission 2013/2774/P granted on the 10/07/2013.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
