The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

3 The development hereby permitted shall be carried out in accordance with the following approved plans 304_PA_100_OR; 304_LP_001_OR(2); 304_PA_301_OR; 304_PA_300_OR; BA20740815_02A; BA20740815_03; BA20740815_04; BA20740815_05; BA20740815_06; Design and Access Statement.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environmental-contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

3 Reasons for granting permission.

The proposal is for the conversion of the existing dwelling house to create an additional 2 bedroom unit situated at the lower ground level. No external changes

are proposed apart from the replacement of the existing windows with new timber sash windows. The additional unit will be accessed externally from the existing lower ground floor entrance.

Both of the proposed units would exceed the London Plan standards in terms of unit size and would provide bedrooms sized in accordance with the DCLG Technical Housing Standards. All rooms would be served by suitable number of windows and would benefit from good outlook and privacy. The units are considered to provide a suitable standard of accommodation.

The property has a PTAL of 3 indicating moderate access to public transport. A s106 car-free legal agreement, whereby the additional unit would have no entitlement to a parking permit, in line with policy DP18, is required.

The only external changes relate to the replacement of the existing windows with new timber sash windows on the front façade. The proposed are in accordance with policy and are considered to be an acceptable replacement and will not harm the host building or the surrounding conservation area.

The proposal would not require any external changes, apart from the replacement of the existing windows, and therefore there would be no change to the existing situation in terms of amenity. Furthermore, the intensification of the site would not result in harm to the adjoining occupier amenity, with regards to increased noise generation. Therefore there would be minimal impact to the residential amenities of neighbouring occupiers.

Special regard has been attached to the desirability of preserving the listed building, its setting and its features of special architectural or historic interest, and to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.66 and s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013

No objections have been raised in relation to the works. The application site's planning history and relevant decisions were taken into account when coming to this decision.

The proposed development is in general accordance with Policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and Policies DP2, DP5, DP6, DP18, DP19, DP24, DP25, DP26 and DP29 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with Policies 7.4, 7.6 and 7.8 of the London Plan 2016; and the provisions of paragraphs 14, 17, 56-66 and 126-141 of the National Planning Policy Framework 2012.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will

be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to be paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
