Supplementary Comments

Thames Water have reviewed the information provided and agreed to part discharge the condition 23 for the site located at 25 Greenwood Place. This is based on the understanding that piling/demolition works are carried out in accordance with drawing 12291-CRH-GC-B1-DR-S-1000 and 1213_WD 011. Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please part discharge Condition 23.

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully
