17. Biodiversity and Geological Conservation							
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals. Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:							
a) Protected and priority species							
Yes, on the development site	Yes, on land adjacent to or near the proposed development	No					
b) Designated sites, important habitats or other biodiversity features							
Yes, on the development site	Yes, on land adjacent to or near the proposed development	No					
 c) Features of geological conservation importance Yes, on the development site 	Yes, on land adjacent to or near the proposed development	No					

18. Existing Use

\bigcirc	Yes	۲	No
\bigcirc	Yes	۲	No

Q	Yes	۲	No
	_	YesYes	Q Yes ⊚

19. Trees and Hedges

Are there trees or hedges on the proposed development site?	\bigcirc	Yes	۲	No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?	Q	Yes	۲	No

If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

20. Trade Effluent

Does the proposal involv	e the need to dis	pose of trade efflue	ents or waste?

21. Residential Units

Does your proposal include the gain or loss of residential units?
