2016/5161/P	Luke Andrews	Flat 39 Knollys House 39 Tavistock Place	09/01/2017 15:20:05	OBJ	<p>The site address for this application is incorrect. The correct address is MacNaughton House, Compton Place.</p> <p>The proposal is an inappropriate addition to the roof line in a conservation area. The masts, antennea and equipment cabinets are unsuitable because they detract from the character and appearance of the building and the neighbourhood. The development is out of character with the surrounding buildings.</p> <p>The masts, antennae and equipment cabinets will be in the direct line of sight from my windows and will interrupt my view and those of my neighbours.</p> <p>The design and appearance of the masts, antennae and equipment cabinets is not suitable. They are ugly and out of proportion with the surrounding buildings.</p> <p>The access ladders will enable my flat to be overlooked and could cause loss of privacy.</p> <p>The equiment may cause a noise nuisance.</p> <p>The proposal is contrary to local planning priorities. These masts have been rejected by a number of buildings in the neighbourhood, including I understand council buildings and cannot be sited near schools.</p>
