2016/6630/P	CoralTemple	34b Camden square NW1 9XA London	10/01/2017 12:39:07	JUST	Without a planning map it is impossible to detect what is actually being planned and what it might look like so I strongly object and insist that a planning map be installed before any results are finalised so that THE PUBLIC CAN HAVE SOME JUST SAY IN THIS.
