2016/6916/P	Samir Mahdi	1A Shorts Garden Seven Dials Covent Garden WC2H 9AT	09/01/2017 17:15:00	OBJ	As the owner of the restaurant Souk Medina, I would like to object strongly to the proposal. The main entrance to the Souk Medina restaurant is onto Shorts Gardens, via the purple covered walkway and frontage. As the existing and proposed drawings show, the proposal would result in the removal of this entrance. This would dramatically negatively affect my business identity, making it appear that the restaurant is no longer there and open for business. This would result in a loss of footfall which could render my business unsustainable. I must therefore object to the proposed development.
