2016/6585/P	K G Melville	4 Walton House Longford Street NW1 3PE	31/12/2016 15:32:00	OBJ	<p>My strong objections to this application are:</p> <p>The construction will block light to the kitchen window in our first floor, adjacent flat.</p> <p>Given our immediate adjacency, the noise from the construction process and eventual inhabitation will be excessive.</p> <p>Should there be a window in the new construction, the new occupant will have sight straight into our kitchen from a distance of just a few feet. Should there not be a window, we will be gazing straight at a dark wall.</p> <p>Please note these strenuous objections.</p> <p>Thank you.</p> <p>K.G. Melville</p>
