Re; Prior Approval for Conversion of Gordon House from Office to Residential.

Dear Sirs,

We write to seek Prior Approval to change the redundant B1 Office premises of

Gordon House  
6 Lissenden Gardens  
London  
NW5 1LX

To C3 residential use under the permitted development rights legislation introduced on 30<sup>th</sup> May 2013.

Please find attached a plan outlining the existing building, and an initial proposed plan detailing our intention to use the building for 10 residential dwellings, as well as a site plan.

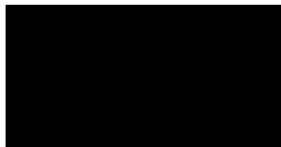

We hope you will agree that the property will pose no concern with respect to flooding, highways and transport issues and contamination.

If you have any questions or queries please contact me

Kind Regards
