

Planning application 2016/6179/T – Kenmore Court, Acol Road NW6
Reduction by 2.5 metres of pear tree in rear garden

I would like to suggest an amendment to this application on a number of grounds, some of which have already been stated in a response by Flat 8, Kenmore Court on the 19th of December 2016.

I agree that this is a very attractive tree and care must be taken not to debilitate it by excessive trimming. It blooms beautifully during spring, often attracting the attention of honey bees and local fauna. It does indeed act as a screen to the car park serving Sidney Boyd Court and does not appear to me to interfere with any structures around it. It is also a fair distance away from the building block itself. However, I respect the wish of some residents to have it trimmed and therefore have no objection to a light pruning of one metre as opposed to 2.5 metres.

Kind regards,

Lucas Hadjilucas
