Dear Residents

Re: Construction works at 66-67 Guilford Street, London

I am writing to advise that construction works to refurbish 66-67 Guilford Street will be undertaken in September 2016 and will be carried out for the following 12 months. The works will be carried out by Golden Houses Developments Ltd.

The works will include the demolition of the rear extension and construction of the new one as well as the refurbishment of the entire houses including installation of the new roof.

We are aware that any construction works undertaken in the neighbourhood can cause an inconvenience however we have endeavoured to design the work in such manner to reduce its impact onto the local residents.

Golden Houses Developments is an active member of the Considerate Constructors Scheme and full details of the Scheme will be posted on our site entrance for your information.

Please feel free to advise on any queries or comments you might have.

I am contactable on 07960 233 807, 02072886838 or email chrisds@goldenhouses.co.uk.

Yours faithfully.

Chris Szczurkowski
Project Manager
