2016/6233/P	Richard Simpson for RPCAAC	12A Manley street London NW1 8LT	15/01/2017 12:22:29	OBJ	<p>Advice from the Regent's Park Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT</p> <p>13 January 2017</p> <p>Objection.</p> <p>The framing to the proposed rear doors is over-heavy and out of proportion to the scale of the opening in this Listed Building. The proportions of the 'panels' in the doors are also inappropriate.</p> <p>The new glazing should be double-glazed for energy-saving.</p> <p>We are concerned that security issues be addressd in the application, to avoid the need to add security shutters at a later date.</p> <p>Richard Simpson FSA Chair RPCAAC</p>
