2016/6442/P	Mr & Mrs ward	2 barnbrough Camden street Camden London Nw1 0hl	14/01/2017 13:26:30	COMMEMP ER	We live in Barnbrough we all ready have the drug addicts at the back of our house taking drugs and buying. All times of day and night. We had the pub until it closed down and the noise of customers going in and out with the occasional fights. You now expect us to put up with more foot trafic and noise you wouldn't put this in Hampstead, Belize park,or Regents park so why do we have to put up with it living on a council estate.
