2016/6762/P	Belinda Low	20 Willes Road	16/01/2017 15:43:01	APP	We have already granted another site in the area for student accomadation . We do not have the capacity at the doctors surgery and other like organisations to cope with this increase , and to have a tourist influx to this residential area makes no sense at ally. Again they would contribute nothing to the area apart from overcrowding on the transport to take them to tourist sights. This is a community area suitable for more transient people. Holmes Road has narrow pavements a school and a police ration all adding to the traffic on this very narrow road. We do not want more people crowding into this small space behind the High Street.
