2016/6916/P	Meredith Whitten on behalf of the Covent Garden Community Association	Covent Garden Community Association 42 Earlham Street WC2H 9LA	12/01/2017 19:18:19	OBJ	<p>Objection. The proposals are out of keeping with adjacent buildings as well as the conservation area as a whole. (See CS5, CS9, CS14, DP24, DP25, CPG1 2.6 and CPG1 2.9.)</p> <p>Any proposed infill development, particularly the façade and windows, should closely resemble the building before it burnt down in the early 1900s. See attached slide.</p> <p>As illustrated in the attached slide and the applicant's historic photos, the proposed shopfront is out of keeping with the past and existing period buildings. Additionally, the proposed residential door is not appropriate in the conservation area, as well.</p> <p>Note that the CGCA is in discussions with the applicant regarding these proposals and we believe they are modifying the proposed façade and residential door.</p>
