The Council has considered your application dated 05 December 2016 and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 This decision is valid for 2 years from the date of this decision or until the work is completed, whichever is the sooner.

Reason: To allow the Council to monitor the completion and standards of the work.

- 2 All work shall be carried out in accordance with the relevant recommendations of British Standard 3998: 2010. (Recommendation for Tree Work)

Reason: To ensure the preservation of the amenity value and health of the tree(s).

- 3 Within the first available planting season following the completion of works, a *Koleuteria paniculata* shall be planted as a Heavy Standard with a girth size of 12-14cm, within 5m of the removed tree unless otherwise agreed in writing by the local authority. Evidence of this shall be submitted to the council. The planting process should take into account the standards set out in BS8545:2014. Any trees removed, dying, being severely damaged or becoming seriously diseased within 5 years of planting shall be replaced by trees of a similar size and species to those originally required to be planted.
Reason: In order to comply with the provisions of Section 206 of the Town and Country Planning Act 1990 (as amended).

Informative(s):

- 1 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or www.naturalengland.org.uk.

If you are unhappy with any conditions attached to this consent you may appeal within 28 days of the date of this notice by writing to The Environment Team, Room 4/04, Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.
