all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2016/6894/P

Address: 31 Briardale Gardens

Description: Rooflight.

Date: 16.1.2017

The proposed roof-light can be seen from the road and is unnecessarily large.

The existing charming and domestically scaled house will be spoilt by the over-sized roof-light.

A much smaller roof-light, in scale with the existing, would provide more than enough light to the stair.

Please refuse, or require a reduction in the size before issuing approval.
