London NW3 5TD

Planning application for a Retrospective Order (2016/3887/P  
for  
Retrospective Planning permission for replacement timber windows to 8x  
Residential units  
at  
70 Maresfield Gardens London NW3 5TD

Laura Hazelton  
Planning Officer  
Planning solutions team

19<sup>th</sup> January 2017

Dear Ms Hazelton

I would like to object strongly to the above application for Retrospective Planning permission on the replacement windows that has been installed at the above address.

All the replacement windows are all not fit for purpose and are not 'Like for Like' it has spoiled the whole appearance of the Edwardian House which is in a conservation area.  
In my flat alone when it rained I have suffered water pouring into my flat due to the ill-fitting windows also the double glazed glass is all steamed up.  
There has been a huge sub-standard work done throughout the exterior of this house by The Camden Contractor Apollo now Known as Keepmoat.

Therefore I reiterate: I object very strongly to the Retrospective Order (2016/3887/P

Yours Sincerely
