Planning Application for a Retrospective Order (2016/3887/P)
by
Colin Kenny (Camden Council)
for
Retrospective Planning Permission for Replacement Timber Windows to 8 x
Residential Units
at 70 Maresfield Gardens
London NW3 5TD

Laura Hazelton
Planning Officer
Planning Solutions

19th January 2017

Dear Ms Hazelton

I wish to send my objection to the above application for the replacement windows at 70 Maresfield Gardens, we the residents have suffer because of these sub-standard windows which do not fit and also there are steamed up window panes.

Since these new so called double glazed windows were installed in my flat, my flat is freezing cold and costing us a lot of money on heating none of this we had with the previous windows, these new windows are not fit for purpose.

These windows have spoilt the whole appearance to this lovely Edwardian House as they are not 'Like for Like'

This beautiful house stands in a Conservation Area

Please be so kind as to lodge my objection to this Retrospective Order.

Sincerely

B. Carlile
