Dear Sir/Madam,

I am confused who has made this application.

I live at 20 Thurlow Rd and am one of the two freeholders who live at the property, neither of us have made this application.

For the record, I am totally against the removal of the tree, as I believe it will have an adverse effect on the building foundation not to mention the loss of a beautiful tree.

I look forward to hearing from you.

Best,

John Linnen
