Dear Gary,

Ref: 156 West End Lane, Camden – Consultancy Reports for Air Quality & Noise

I refer to recent correspondence in respect of proposed minor changes to the above development. I am able to confirm that in respect of our Air Quality Report (A2423/AQ/008, dated 01.06.2016) and Noise Report (A2423/N/006, dated 01.06.2016) that ACCON's conclusions within those reports issued in June 2016 would not alter as a result of the changes to the development.

Should you require any clarification in respect of the above, then please do not hesitate to contact me.

Yours faithfully,

Graham A Parry
Managing Director

Kind regards,
