Subject: FW: 70 MARESFIELD GARDENS NW3

Dear Laura,
I enclose an email from Monica Caro,
I understand that you will have received the same from different sources.

I would like to object to the application and note that the key issue is that any decision must be based on viewing photographs of previous and existing.

I have visited the building on a couple of occasions and it has magnificent features that should be preserved.

Regards,

Cllr Jonny Bucknell
