8. Trees - Additional Information	
For all trees A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for we is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would advice given on site by an LPA officer.	
For works to trees covered by a TPO Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, you necessary evidence to support your proposals. (See guidance notes for further details)	our application must be accompanied by the
 Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall: If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert. 	
Alleged damage to property - e.g. subsidence or damage to drains or drives. If YES, you are required to provide for:	Yes No
Subsidence A report by an engineer or surveyor, to include a description of damage, vegetation, monito and repair proposals. Also a report from an arboriculturist to support the tree work proposals.	
Other structural damage (e.g. drains, walls and hard surfaces) Written technical evidence from an appropriate expert, including description of damage and	possible solutions.
Documents and plans (for any tree) Are you providing additional information in support of your application?	Yes No
If Yes, please provide the reference numbers of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports, photographs etc in statements of plans, documents, professional reports of plans, documents, professional reports of plans, documents of plans, docu	upport of your application:
