Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. The installed site survey to be carried out to verify the level platform and the level of the finished floor. The architect shall be notified of any discrepancy. Where building components are described in the specification as contractor designed, "construction" information relating to those components on this drawing represents design intent only.

ALBS & Morrison is not responsible for any errors caused by the transmission, translation, software or computer system. ALBS & Morrison is not responsible for any error shall be liable for the consequences of any use made of the drawings or models other than for that for which they were produced by ALBS & Morrison for the Client.
