2017/0164/P	Carol Allen-Storey	4 Saint Marks Crescent London	26/01/2017 17:43:58	COMMNT	I am not in favour of this application as I believe it will set a precedent for future expansions on the Crescent, which I believe will compromise the unique character, furthermore, it is not consistent with the 'style' of these homes nestled on the Regent's Canal.
