2017/0238/P	M Putica	flat 1 140 goldhurst terarce	26/01/2017 14:49:41	COMMNT	dear Matthias, We have first reported this new terrace railing to you as a breach of planning and intrusion of our privacy using our rear garden in retirement, new terrace was never used before and is new not as stated by architect, Its detrimental to the conservation area and has already adverse effect on architectural character in our area, We object to new railing forming new terrace also on bad design grounds, only partial rear railing fitted to wrong height not matching others, its ugly and needs be objected please regards mr M & mrs B Putica
