2017/0398/T	Adam Leys	55 Willes Road London NW5 3DN	27/01/2017 18:41:46	OBJ	Is there something I do not understand about this application, or a document missing? The application form has not filled in any of the details asked for. There are two photographs, one of a tree in full leaf, and the other of a tree in bare branches. There is no reason given as to why this tree should be felled. Is it dead? There should be an overpowering reason to fell a tree with a TPO, but I don't know what it could be. Without a reason, I OPPOSE this application.
