2016/7041/P	edward williams	57 princess road regents park NW1 8JS NW1 8JS	31/01/2017 13:45:04	OBJ	I object to the rear elevation at roof level as it does not follow the design guide issued by Camden. If the dormer window was replaced with a velux type this would conform. Also I object as no site notice has been issued.
