2016/7061/P	Alessio Noe	100 Southampton Road London WC1B 4BB	01/02/2017 17:00:16	OBJ	<p>I object to the application to turn Ruskin Hotel into residential flats because it would be very harmful to the local economy and businesses. The guests of the hotel spend lots of money in the local museums, restaurants, bars and shops and if the hotel was gone and changed to flats there would be a lot less business for the local economy.</p> <p>It would be better to leave the hotel and not change it into expensive flats, you should not approve the application but turn it down in favour of local businesses.</p>
