

New double glazed Optima Revolution 54 screen and door. 12mm toughened + 12.8mm acoustic laminate partitions create high quality, (-1;-5) dB sound insulation. There is an option for new glazed partitions with integrated blinds to create more privacy TBC with client. Frame colour anthracite, RAL 7016 - TBC by client.

Optima Revolution 54 system.
12mm toughened + 12.8mm acoustic laminate partitions create high quality,
(-1;-5) dB sound insulation.
Option for new glazed partitions with integrated blinds to create more privacy.

This is a listed building so new interventions must not damage the existing building fabric. A light touch approach must be taken, and all new interventions need to be completely reversible.
