3. Description of the Proposal

Please describe the proposed development including any change of use:

Replacement of all existing single glazed timber frame windows (both sliding sash and casement) to the front, side and rear elevations at 20 Adamson Road, Camden, London, NW3 3HR. The application includes windows at all levels but excludes Velux roof windows and all external doors.

It is proposed to replace the existing windows with new double glazed, timber frame sliding sash and casement windows. The modern equivalents will be sympathetic to the design and style of the existing windows, but also provide a substantial improvement to thermal efficiency, security, noise reduction and ease of use for the building's occupants.

Has the building, work or change of use already started? ☐ Yes ☒ No
