2016/6892/P	Jacci James	Flat 1 59 Priory Road NW6 3NH	02/02/2017 11:39:01 INT		I wish to object to the proposed East side extension to Wavel House which backs onto our garden. As it is Wavel House casts a shadow over the majority of sun light into our garden and the proposed east side elevation will restrict it further. In addition the design and height of the extension will exceed above our garden wall to the extent it will be an eyesore from our patio. When we built our extension we were told by Camden to keep it below the height of Wavel Mews so it would not be visible from the road or from ground level of adjacent houses. We would like the same courtesy.
