2017/0200/P	Councillor Julian Fulbrook	Town Hall	02/02/2017 10:29:19	COMM	This would look prima facie as massive overdevelopment, spilling along a quiet residential street. As with the original application for the Hoxton there was a concern that the hotel should face onto the main thoroughfare of High Holborn. Our ward already has an abundant supply of hotel bedspaces, perhaps an oversupply, and this is an inappropriate location in Newton Street, which will inevitably cause considerable disruption and distress to local residents, already challenged by clubs, pubs and their effluvia.
