Dear Matthias

RE: 2017/0108/A; Bus shelter outside 77-79 Camden Road, London NW1 9EH
Display of 2x internally illuminated digital screens to existing bus shelter structure no. CAM0001AB

With respect to the above application, TfL have no objections to the proposals provided the following conditions are secured on any consent:

- The intensity of the illumination of the sign shall not exceed 600cd/m;
- The sign shall not display any moving, or apparently moving, images;
- The display shall not change more than once every 10 seconds;
- Any sequential change between advertisements will take place over a period no greater than one second.

Regards

Mark
