2016/5760/P	ANDREW NORMAN	18C HAVERSTOCK HILL LONDON NW3 2BL	03/02/2017 15:34:13	OBJ	The height of the surrounding buildings is gradually increasing here. As a result, I am losing more sky and light to my premises. I object to both proposals because I am beginning to feel I am being slowly barricaded in. Additionally, I do not wish to lose my view of the iconic Post Office Tower or indeed the passing trains from Euston.
