2016/5761/L	Andrew Norman	18c Haverstock Hill LONDON NW3 2BL	03/02/2017 15:44:33	OBJ	There is a ongoing loss of light and sky here as a result of the continuous increase in height to local buildings. I feel I am gradually being barricaded in. I have been a supporter of the Roundhouse since moving here thirty years ago but this is the limit. I also do not wish to lose my view of the iconic Post Office Tower of the passing trains.
