2016/7062/P	Pedro Mendes Loureiro	31 Hanover road	06/02/2017 17:46:36	COMMNT	The community would be much better served with the continuity of the hostel, which creates more shared spaces and urban living.

2016/7062/P	Philip Aiolfi	39 Henfield close N194EH	04/02/2017 17:02:20	OBJ	I do not want to see London be developed in a way that favours expensive apartments for a minority at the cost of housing for the rest of the community. London has to maintain a diversity and housing for students and people who cannot afford a luxury flat.
2016/7062/P	Werisha Husaini	34 Elsiemaud Road	05/02/2017 23:29:55	COMMNT	The hostel must remain as a hostel as it provides security and a save haven for many local residents, and countless students who are the reason this area is known nationwide and internationally.
2016/7062/P	Jakob Gricar	Jesenkova 9 1000 ljubljana slovenia	05/02/2017 17:44:07	OBJ	As a bartending student astor museum hostel saved my life. I needed cheap commodation in the area as all the other places are priced sky high and astor provides just that to many students and young people on a budget.

2016/7062/P	Marta Strzyga	7 Storr Gardens Hutton Brentwood CM13 1HT	05/02/2017 16:32:10	OBJ	I feel it is important to maintain affordable hostel accommodation in this area, especially given how close it is to a variety of universities, as well as museums and attractions.
2016/7062/P	Aloysius Beebwa	64 Little Ealing Lane Ealing W5 4XF W5 4XF	05/02/2017 16:09:43	OBJ	I seriously think that the service the hostel gives to students is great, and so i would not recommend changing from hostel to flats. Let us give students a chance to get reasonable accommodation near their colleges and universities. Some social justice can do us all good. Thank you very much.
2016/7062/P	Victoria Wooltorton	19 Kerfield Place Camberwell London SE5 8SX	07/02/2017 15:24:52	OBJ	The hostel provides affordable accommodation in central London, essential for when I was a young graduate moving to the capital for interviews and consequently a new job.

2016/7062/P	Gabrielle	55 water lane	05/02/2017 12:57:37	COMMNT	Students need affordable accommodation in the area. Closing down a hostel that provides affordable accommodation to many students and young people on a budget is unacceptable.
2016/7062/P	Rebecca Cowell	flat 7 55 palace rd tulse hill sw2 3lb	07/02/2017 15:12:37	OBJ	It's essential young people have affordable accommodation available to them in central London.
2016/7062/P	Kate Turner	73 Lavington Road London W13 9LR	07/02/2017 15:12:40	OBJ	Short term affordable accommodation is essential in London. As a small business owner who employs gradates and interns in central London, I feel it's essential that there is safe, centrally located accommodation in London where young people can stay when applying for jobs. Closing this hostel and replacing it with just 3 apartments would be a great shame for the area.

2016/7062/P	Barbara Oliveira	27 Montague Street	04/02/2017 20:57:58	OBJ	This hostel is a very special place which has positively affected the lives of many people. It has a small community and a lot of people depend on it to be able to live close to their work at a reasonable price in the centre of London. This hostel provides more than a warm bed for the nigh- it also provides a second family and a second home to many.
2016/7062/P	Hiie Nomm	208 Stockwell Ave	08/02/2017 08:59:52	COMMNT	The hostel provides work and home base for thousands of travellers and would be a cultural loss for the area.
2016/7062/P	Lauren McManus	27 Montague Street London WC1B5BH	08/02/2017 02:28:54	OBJ	I don't think it is fair to remove such accommodation from today's youth, including students who study down the road who need a place to stay whilst looking for a more permanent living option if not staying at Astor Museum and for respectful, budget travellers who are looking to stay in a safe, convenient and friendly neighbourhood. This is also a home to travellers who live and work in the hostel who play a big part in creating and defining any travellers, students and long term gusests time spent in Astor Museum hostel and London. These staff members who are residents of the building also play a big part in keeping respect at a very high level for the neighbours and the rest of the residents on the street. It would be a great shame if all of this was compromised for a few more 'luxury' flats.
2016/7062/P	Julia Goroszeniuk	15A Abbotsbury Road	06/02/2017 00:31:16	OBJ	I am a student at a nearby university. Changing the use of this business will contribute to the homogenisation of this part of London. Cheap accommodation of the kind offered by Astor Museum is important in maintaining an interesting and vibrant city centre that can fully be experienced by everyone. The last thing needed here is more luxury flats that will ultimately make the surrounds less desirable by cheapening their character. There are now shockingly few cheap central places to stay and Astor bucks that trend.
