2017/0089/P	Christophe Decaestecker	50 Compayne Gardens Flat4	09/02/2017 10:51:01	OBJ	<ol style="list-style-type: none"><li>1) Bathroom and kitchenette should be forbidden to prevent this garden room to become a proper accommodation.</li><li>2) Otherwise I fear this would become an unofficial studio flat independent of the ground floor flat usage, for short let purpose or owner's privilege while the main flat will remain rented out.</li><li>3) Drains, water pipe, electricity plans not provided, which would have impacts on the other shared holders of the property.</li><li>4) Environment extremely protected, all residents on first and second floors at the property and next doors would get a vis-a-vis de facto that does not exist.</li><li>5) Security concerns if lots of new coming and going related to this additional accommodation.</li></ol>
