2017/0164/P	John Nicholls	24 St Mark's Crescent London NW1 7TU	09/02/2017 11:09:15	COMMNT	We are the owners of 24 St Mark's Crescent. We have visited 12 St Marks Crescent and have seen the proposed site for erection of a replacement single story extension at the back of the property. We believe that the amenity of the neighbours including their light has been taken into account in the plans. Furthermore the appearance of the back of the property will be enhanced by the development when viewed from the regent's Canal. The replacement of glazing at the front will improved the appearance of the property when viewed from the road. John and Stella Nicholls
