2017/0359/P	patrick	flat9	09/02/2017 21:28:58	PETITNOBJ E	<p>This should not be allowed to go ahead.</p> <p>1 = pray times need to have restrictions .</p> <p>2= Parking has in the past 2 weeks gone back to the way it was before . NO PARKING FOR RESIDENTD .25 to 30 cars/taxis , even double parked .</p> <p>3= Building work even on a sunday is being done before they get the go ahead. which I do believe is not allowed on a sunday ?</p> <p>4= Is there still going to be only 3 pray times a day ?</p> <p>Are they going to pay the going rate for renting 2 units from the council.?</p> <p>5 = Is the member of the council that agreed to thego ahead before really the rightperson to over see this , no offence , I just feel that a different person might have a different view. And also might not be on holiday until the final day to submit a complant the21st Feb . Bit unfair on people who would like to be heard .</p> <p>6 = When were we got to be informed ?No letters have been sent. Posters went up one day, either later at night or early morning , were removed by the same afternoon , who took them down we dont know. Just lucky 2 people who live in cheriton saw them as we would not have even known or given the righto say NO thanks .</p> <p>7 = Noise will retune so no sleeping in as it was open at 5 to 5.30am and some days not until 10.30 pm at night . With people come and going all hours shouting as the talk on mobiles and to each other when leaving to the front and back if the units,</p> <p>8 = They have gone back to just leaving their rubbish out side our now locked rubbish area , which smells and attracts foxys and rats , theses don"t as they don"t even live here .</p> <p>9 = during the closed time for the not Mosque and restriction during the fist year of being a mosque , the people attending went else where for morning and late prays then can the council look into where they people where going and sort out those places as they are already a established mosque .</p> <p>Thank you . I look forward to hearing from the planning team about the matters and its not the case of going to meetings as my self and some other people who were known to the people from the units were threatened verberily in the past and I"m not going to do this again, and myself and partner have had so many tiers on our car slashed , scratched . we cant prove who did this but it was the day after I got abused .</p>
