2017/0772/T	Francoise Findlay Elsworthy Residents Association Chairman and BCAAC member	1 Lower Merton Rise NW33RA	10/02/2017 23:24:53	OBJEMAIL	The hoarding has hidden the front garden for over a year and I don't recall any conifer in the front garden but there were two multi-stemmed silver birches on either side of the front door. Any reduction of planting, loss of trees or boundary hedges should be resisted in the Elsworthy Conservation Area since they are intrinsic to William Willett's original "garden suburb" design.
