2016/5380/P	Nigel Higgins	4 Lower Terrace London NW3 6RG	10/02/2017 15:36:05	OBJ	We live 100 yards from 115 Froggnal in the middle of Lower Terrace. Whilst we would normally be supportive of high quality modern houses we feel that this replacement house doesn't fit in the particular area and seems to be of no architectural merit. Secondly the scale of the proposed development seems to be out of proportion to the neighbours and the current buildings.
