Drawing Nos: Materials specification

The Council has considered your application and decided to grant permission subject to the following condition(s):

Informative(s):

- 1 Reason for approval

The applicant has provided sufficient detail of the approved anodised aluminium cladding to satisfy the requirements of condition 1 of planning permission 2011/5407/P dated 16/12/2011 (for the erection of a head house building, installation of cladding to form screening to north and south of site, installation of artificial lighting equipment, and associated works). The materials used are considered appropriate for this site and development.

The proposed development is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

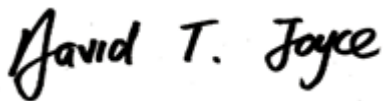

- 2 You are advised that all conditions relating to planning permission 2011/54097/P dated 16/12/2011 which needs to be submitted, have been approved

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
