Dear Ian

**RE: 2017/0438/P; o/s 90 Camden High Street, London NW1 0LT
Erection of freestanding Link unit with associated services following the removal of 2 no. BT telephone kiosks.**

With respect to the above application, TfL have the following comments:

- ∞ The site is located on the A400 Camden High Street, which forms part of the Transport for London Road Network (TLRN). TfL are the highway authority for the TLRN.
- ∞ Provided the applicant's suggested conditions are secured on any consent and the existing two kiosks are removed as part of the works, TfL has no objections to the proposals.

I hope this is useful and please contact me if I can be of any further assistance.

Regards

Mark
