Dear Gavin,

**Discharge of Conditions Application in respect of application 2015/2575/P  
32 Jamestown Road, London NW1 7BY**

I write in connection with the above site and our application submitted via the planning portal (reference PP-05783192) to discharge conditions of application 2015/2575/P which was granted planning permission on 4 January 2017.

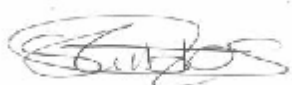

It has come to my attention that when I submitted the application, I did not include reference to condition 9 (cycle storage) and this should have been included as part of our submission. Please accept my apologies for this.

In respect of this condition, please find enclosed a detailed document prepared by Ben Adams Architects, entitled "Jamestown Road: Condition 9" for consideration.

I would be grateful if this can be added to the file for validation and look forward to receiving contact from you regarding our submission.

As previously mentioned, if you require any further information or clarification in respect of the submitted details for conditions 3, 5, 6, 9 or 11, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink, appearing to read "S. Gibbs", enclosed within a faint, irregular oval shape.
