2016/6495/P	Derek Holwill	4 Colville Place London W1T 2BJ	14/02/2017 18:00:49	OBJ	<p>As the owner of 4 Colville Place, I regret that I object to this plan. Whilst the balconies (1st and 2nd floors are supposed to be for maintenance, it is obvious that they are intended for recreational use - with consequent noise and disturbance for the residents of the nearby properties in Colville Place.</p> <p>The additional floor proposed is very much higher than the adjoining property (which I understand is listed) and this will obviously impact on the privacy of balconies along Colville Place.</p> <p>The windows looking on to Colville Place are wholly out of keeping with the other houses on Colville Place.</p> <p>The top floor balcony is much higher than is necessary - see comments above re noise and other disturbance and the railings proposed are also out of keeping with the street design.</p>
