2017/0772/T	Francoise Findlay Chairman Elsworthy Residents Association	1 Lower Merton Rise NW33RA	14/02/2017 13:08:49	COMMEM AIL	I sent an objection earlier in which I made it clear that the site was not visible due to the hoarding. I passed yesterday and the hoarding was open. I saw the conifer in question which appears to be within the front garden of no 46 Elsworthy Road.and the silver birches have all disappeared.. Being as this conservation area was designed as a garden suburb I trust that there is a relandscaping plan that includes substantial planting of new trees and shrubs to mitigate what has been lost.
