Dear David Fowler,

2016/7079/P 77-79 Charlotte Street, London, W1T 4PW

Thank you for your letter dated 17 February 2017 and the accompanying planning application documents relating to the above site, requesting the views of Crossrail Limited on the above application.

Crossrail is a proposed new railway that will link Heathrow and Maidenhead in the west to Shenfield and Abbey Wood in the east using existing Network Rail tracks and new tunnels under Central London.

The Crossrail Bill which was introduced into Parliament by the Secretary of State for Transport in February 2005 was enacted as the Crossrail Act on the 22nd July 2008. The first stage of Crossrail preparatory construction works began in early 2009. Main construction works have started with works to the central tunnel section to finish in 2018, to be followed by a phased opening of services.

Crossrail Limited administers a Direction issued by the Department for Transport on 24th January 2008 for the safeguarding of the proposed alignment of Crossrail.

The site of this planning application is now identified outside the limits of land subject to consultation under the Crossrail 2008 Safeguarding Direction.
