Your comments on the planning application

This planning permission is rather late, This has been used as a mosque since the first day they moved in here, the community part is 1 day each weekend and that's teenagers shouting and screaming , this is a residential area and the noise disturbs all who live here, The place is already being converted on the lower floors ready to get even more people in, the lower floors were already used as a moque as they have been outside doing prayers at times, we get the noise 5 times a day 7 days a week men walking 4-5 abreast on the pavement,mini cabs taking up all the parking bays, Enlarge this place & no tenant will be able to park
