My enquiry is

Dear Sir/Madame (Tree Preservation Order)
As a resident of West Hill Court Millfield
Lane N6 6JJ

I have been informed by the residents
committee of the above property(February
2017) that they and our managing agents
Faraday have agreed to submit a notice to fell
a significant beech tree within the grounds of
West Hill Court. I am lead to believe that
Camden issued a tree preservation order for
the same beech tree as the committee had
tried to obtain permission to fell the tree back
in 2013. We wish to oppose the current
submitted proposal by the board as we would
like a further detailed survey to be carried out
to ascertain the health of the tree. And until
such a survey is undertaken we would like
camden to uphold the TPO on the beech tree
at West Hill Court N6.

yours sincerely

Mar Billingham and Anita Overland
